

Wild Hogs

Have you ever been in the wrong place at the wrong time? That is what happened to a wild herd of swine, or HOGS.

The hogs were on the steep mountainside near a sea when Jesus showed up in a boat. A man possessed with demons showed up, too. The demons names were Legion. Jesus demanded the demons to come out of the man. The demons left the man and entered the hogs then ran into the sea.

Learn a lesson from wild hogs. If you run with the wrong crowd, you can run into big trouble. Check out the wild TALE in Mark 5:1-13. Then look up the verses below and write them down. If you know Pig Latin, try saying them in Pig Latin.

Depart from Evil

Psalm 34:14

Be careful how you walk

Ephesians 5:15

Scram Already!

1 Timothy 6:11

RUNNING WITH A WILD CROWD?

Do not bound together with unbelievers, for what partnership have righteousness and lawlessness, or what fellowship has light with darkness?

2 CORINTHIANS 6:14
