

**GOD'S MOST WANTED**

# FROM CONVICT TO CONVICTED

**PAUL**

**MOSES**

**YOU!**

You think God only uses people with perfect pasts? Think again. Some of God's biggest winners were also big time losers. Moses was wanted for murder. Paul killed Christians. Both did a U-turn and got on the right path. So don't let anything in your past stop you from doing what's right today. Whether it's stealing, cheating, or just not doing your best at school. Do what Jesus would do in every situation. Remember, you are on God's Most Wanted List. And He wants you NOW.

**Just because you are a Christian doesn't mean it will be EASY to be GOOD all the time. You will still make mistakes. But you will have the strength to do the right thing even if it's not the easiest or coolest thing.**
