

Bad Dogs

When you see a sign that reads BEWARE OF DOG, it makes you think twice about walking any closer. That's because that sign means there's a dog around with teeth so sharp, and a growl so scary, that your knees start shaking and you take off running the other way. Bad dogs are good at keeping people away from things they shouldn't get near.

But the warning of having his wife eaten by dogs wasn't enough to get Ahab to turn from evil. Not only was his wife, Jezebel eaten by dogs, Ahab ended up Puppy Chow, too. Read all the gorry details in the passages below. And make sure that you know that it's not dogs that you should beware of. You should beware of EVIL.

Ahab did Evil. 1 Kings 16:30

Beware of Dogs. 2 Kings 9:10

Write these verses in your own words: 2 Kings 9:35-37
