

# MULTI-MAMA DRAMA

**STRAIGHT UP:** Ever feel the people who trip you up from being a hero aren't people on the street, but those in your own home? You might have a blended family of half brothers and sisters, a few cousins, a few screaming babies, and a parent whose gone AWOL. And they all add up to a lot of stress. If things are twisted in your home, look at Joseph. He had eleven brothers from four different mothers. He didn't let anything at home keep him from being all that God wanted him to be. So you shouldn't, either.

**WORD!** *I will not abandon you as orphans—I will come to you.*  
*John 14:18*
